BRIEF ABSTRACT OF LETTER.

Recommends the resumption of the two acres 23 perches of Inam lands endowed to the above chatrams & their sale in view of the fact that the chatrams & neither fit to be occupied by travellers now available to them as the rooms are kept locked up by the Inamdar & the Congregation of the chatrams itself seems to be unnecessary at present.

NOTES AND ORDERS.

The chatrams building having been found in a state of disrepair in 1923 and as there was no response from the representative of the original donee calling upon him to put it in a state of repairs within three months it was directed in G.A. dated 5th Feb 1924 that the

Inam be attached and the land forming the endowment taken over by the D.B under his management and that if on further enquiry be found that there was no need for chattram at all the matter may be reported for further orders as to the resumption of the Inam part.

The above order was directed to be held in abeyance by a subsequent order dated 30th April 1921 pending thorough enquiry & report on a review petition presented by Mr. A. Arunachala Mudr. stating that owing to certain difficulties with which his family had drifted, the work of putting the chattram in a state of repairs could not be attended to and that arrangements have been made for promptly effecting the necessary improvements to the building.

From the Builder's report dy 28.6.22 it will be seen that upto that date repairs to the extent of Rs 1877/- had been effected & that with the available materials the work could be completed at a further cost of Rs 500/-.

There was no further progress made after this & several letters but the representative wrote on 5.5.28 only asking for more

time to complete the repairs pleading some domestic calamity & misunderstanding and adding that he had the money ready to push through the work.

On 18th Nov: 1928, the D.C. wrote to the M.E. stating that the work remaining to be done was estimated to cost Rs 7500/- and recommending that the Iruvan lands forming the endowment may be taken under Govt management for a period of five years as otherwise the Inamdar may not likely do anything towards the repair of the building which in its existing condition was unfit for human habitation

b The M.E. states that the continuance of the Chattram itself seems to be unnecessary at present & recommends the resumption & sale of the lands, the proceeds being credited to General Improvement funds. The D.C. does not say anything as to the necessity or otherwise of the Chattram at present, though the Amildar & the T.D.O. are of opinion that it would serve a useful public purpose if kept under proper repairs.

to the British Commissioner in Upper,
In recognition of this philanthropic work
the Commissioner granted some lands
in the Tumkur Taluk for the maintenance
of the Chattram. This was more than
70 years ago. Probably the lands that
were granted must have been Government
waste lands.

Ever since that time we have
spent large sums of money to bring
more lands under cultivation and
to attract settlers.

Now the Government have
ordered to resume those lands on
the ground that the Chattram is
now kept in good repairs

Owing to domestic troubles and
want of funds, it was not possible
on our part of late to attend to
this work properly.

Since we have borrowed
large sums of money & now and
then for this purpose but it was
all misspent and wasted.

If I write now say, that

Respected Sir,

I humbly and respectfully beg to state that a petition was submitted to the Amildar and then to the Deputy Commissioner of Tumkur District, and then to Muzarai Commissioner in Mysore. All these Officers have said that as Government have passed orders, they could do nothing in the matter. The Muzarai Commissioner's endorsement is enclosed in original for reference. I therefore pray that my petition might be taken into the kind consideration of the Government and the Inam Lands endowed to the Chatram resotered to me. If a report is called for from the Local Officers it will be found that all necessary repairs have been carried out by me before the order resuming the Inam lands was issued.

I beg to remain,

Respected Sir,

I, the undersigned, humbly and respectfully beg to bring to your kind attention the following few lines and pray that you may be pleased to pass a favourable order thereon.

There is a choultry situated in Manchakalkuppe village, to which certain lands are attached as Inams lands. This state of affair exists over a century in our family. It has been in the management of my mother ever since it came to our share. Aoout a year and a half ago all my elder brothers relinquished their share and the right in the lands abovenamed and as such it has passed into my exclusive possession and ownership.

As I am a Goverpment servant, I was unable to go and examine the state of the choultry building, till about October last year. After I examined the same, I made arrangements and collected materials to repair the building.

The Deputy Commissioner is also aware of the above fact. I completed the repairs by about the end of December and made a report of the same to the Deputy Commissioner on 27-12-1928. I beg to submit that after I took charge of the property, I have done my duty as soon as possible. have spent over Rs 500/- in order to bring the house to condition required by law. I pray that an inspection may be made of the buildings.

I received an order of the Government (Vide G.O. No. 1526-7/ Muz. 209-28-2 dated 2-2-1929 communicated with Muzarai's Commissioner's No. 123/28-29 dated 2nd Feb:29) informing that the lands will be resumed . I beg to submit that the property has been existing in our family for a very long time, and I have invested a considerable sum over it. I pray that you may be pleased to reconsider the affair and pass an order cancelling the previous order of resumption for which I will feel highly grateful.

I beg to remain,

Sir,

Adverting to G.O. no. 1576-7/Muz. 209-28 2 Dy 2.2.1929 sanctioning the resumption of the waram lands endowed to the chattram at Manchakalkuppe, Tumkur Taluk, I am directed to forward herewith petition no 1345 from A Kasiathan on the subject, and to request to be informed if you consider that any modification of order already passed is called for in the over circumstances

Represented by the petr. Mr. Commissioner
to enquire whether the chattram
in question is necessary in the
interests of the travelling public,
and if so, whether it is desirable to
maintain it, and efficient arrangements
have to be made for its
management, and for seeing
that the income from the said
endowment is utilized for the
purposes of the chattram.
If however the chattram
is not used by or required
for travellers, the inam can
no longer be treated as
fulfilling its purpose, and the
redemption order already
passed should stand, and the
only question is whether
any consideration should be shown
to the family which has long
been associated with the lands
the inam tenure of the lands
should be cancelled and the
concession if any is due

SIR,

With reference to your letter No.2072/Muz.209-28-8 dated 25th May 1929 forwarding the petition of A. Kasinathan in the matter of restoration to him of the Inam lands endowed to the chattram at Panchagalkuppe Tumkur Taluk and enquiring whether any modification of the orders of resumption already passed is necessary in the circumstances represented by Mr. Kasinathan the petitioner, I have the honor to submit herewith copy of Tumkur District Deputy Commissioner's letter No.M.3780/28-29 dated 30th October 1929 together with the connected records received therewith and to state that from the Amildar's report in the enclosed records it is seen that the chattram does not seem to be so useful to the travellers as it was before and that it has been repaired recently to some extent by the Inamdar and is in need of some more urgent repairs.

The Deputy Commissioner who inspected the chattram and found it used as a dwelling house by the petitioner's mother an old lady is of opinion that there is no need to continue such a vast extent of land measuring 340 acres 23 guntas and assessed at Rs.294/ for this chattram on which the Inamdar does not spend even Rs.50/- annually and that the family may be allowed to keep the lands in their possession as sircar land paying the full assessment after cancelling the Inam tenure if the chattram building is fully handed over to the village Panchayet for use as Chattram and village Panchayet Hall, the Inamdar relinquishing all his right over it.

In view of the fact that the lands have been in the enjoyment of the public under's ancestors and himself, I beg to recommend that he may be granted to [illegible] lands provided he hand over the chattram to [illegible] and pays full assessment on the lands from the [illegible] corresponding started. The other half may be [illegible] disposed of by public auction after [illegible] and the proceeds invested in the Savings [illegible] for the maintenance of the chattram as a rest -- [illegible] or Village Tank.

Favour of early orders is solicited.

I have the honor to be,

Sir,

Your most obedient servamt,

Huzrat Commissioner.

Letter No. .5780-[illegible] dated 30th [illegible] of the Deputy Commissioner, Tumkur District to the Muzrai Commissioner, Mysore.

With reference to your [illegible] No.S.200/[illegible] dated [illegible] June 19[illegible], forwarding a copy of Inamdar's petition No. 672 Muz.209-28-9 dated 28-5-1929 and calling for a report on the several points raised therein re: the order of Mr. A. Kasinathan to reconsider the Government Order sanctioning the resumption of the Inam lands endowed to the chattram at Panchakalgudde, Tumkur Taluk, I have the honor to state that I have seen the chattram in question which is used by the old lady (the petitioner's mother) as a private dwelling. I am of opinion that the family may be allowed to keep the lands if the chattram is fully handed over to the village Panchayet for use as Chattram and Village Panchayet Hall. The Inamdar should relinquish every right and vacate the building fully. It is not reasonable or proper to continue lands assessed at Rs.294/- for such a chattram on which the Inamdar does not appear to spend Rs.50/- per annum.

2. Under the above circumstances, the Inam tenure may be cancelled and full assessment levied from the date from which the correspondence started and this concession will in my opinion be ample.

3. The entire records ending with the Tumkur Sub Division Officer's No.P.R.45/25-29 dated 16-9-1929, together with this office file bearing No.573/20-21 dated 15th February 1929 and the petition of Mr. Kasinathan presented to Government with its enclosures accompany.

OFFICE OF THE DEMAN

Date of Recpt. 25.12.29
Letn. Regr. No. 1105

Respected Sir,

I, the undersigned, humbly and respectfully beg to submit the following few lines for your kind sympathetic consideration.

2. I am the owner of an ancestral Choultry situated at Panchakalkuppe Village about five miles from Tumkur. The above Choultry was built by my grand-father late Rao Bahadur Arunachala Mudaliar, who was the Assistant Superintendent in the days of the British Commissioner. He was the brother of late Rao Bahadur Subapathy Mudaliar who was the Member of the Council from 1881 to 1891. The then Government to recognise the high usefulness of the Choultry and in recognition of the philanthropic spirit of my grand-father, endowed the Choultry with lands for its maintenance.

3 Till 1913, the Choultry was in the management of various members of my family, when a partition was effected, by which the Choultry and the lands attached thereto, with an encumberance of Rs 3,000/- was allotted to the Joint share of myself and my elder brother, who became the Manager of the estate since then. I was recruited into service long ago, - and I was living away from the estate, and did not know anything about it until 1928 when my brother relinquished his rights to the above said property by a registered deed. After it came to my sole possession and management I have tried my best to understand the situation as early as possible, and

and I have effected the repairs to the Choultry pending [illegible] Rs500/- and I have reported the same to Government on 26-12-29.

4. Immediately afterwards, I learnt that the Government had instituted resumption proceedings by which the Government had ordered the resumption of the Inam Lands -- attached to the Choultry. When in view of the above order I was forced to stop further repairs of the building.

5. I beg to submit that I have done my best after the Choultry came into my sole management, and I further beg to say that it will be hard upon me if a punishment is inflicted upon me by way of resumption for the defects of the management of my predecessors. I am put to in the hard predicament of discharging the debt of Rs 3,000/- which will be impossible to do with the poor pay that I get In fact, I stand every chance of being put in in the Civil Jail if the Government adopts the resumption order.

6. I beg to submit that the Government may be pleased to excuse whatever defects there might have been so far and crave the indulgence at the hands of the Government for a chance to retrive the same, and I assure the Government that all precautions will be taken to maintain the Choultry on lines -- specified in the Inam Order.

7. Under the above circumstances, I humbly and respectfully pray that you may be pleased to view the case in the light of all circumstances, and give me a chance for which I will remain highly grateful.

I beg to remain,
Respected Sir,
Your most obedient servant,

A. Kasinathan
